

Coastal Bend COLLEGE

CBC New Student Information System

For Immediate Release: June 7, 2019

**Contact: Braden Becknell, Communications Specialist,
Coastal Bend College (361) 354-2259**

BEEVILLE – Coastal Bend College is currently moving to a new Student Information System (SIS) which is designed to be user friendly.

Because of this transition to the new SIS, the former system generated invoices from several years ago which are no longer considered valid. Except for only the most recent outstanding balances for the 2018 Spring and Summer terms, no restrictions of any kind have been placed on students who received these invoices.

We are encouraging any student that feel they may have received an invoice for tuition in error to contact our Business Office at 361-354-2220 or extensions 2305 and 2213 to verify whether they have an outstanding balance.
