Rule 97.62
Exclusion from compliance are allowable on an individual bases for medical contraindications, reasons of conscience, including a religious belief, and active duty with the armed forces of the United States, children and students in these categories must submit evidence for exclusions from compliance as specified in the Health and Safety Code, 161.004(b), Health and Safety Code, 161.0041, Education Code, Chapter 38, Education Code, Chapter 51, and the Human Resource Code, Chapter 42.

1) To claim an exclusion for medical reasons, the child or student must present a statement signed by the child’s physician (MD or DO) duly registered and licensed to practice medicine in the United States who has examined the child, in which it is stated that, in the physician’s opinion, the vaccination required is medically contraindicated or poses a significant risk to the health and well-being of the child or any member of child’s household. Unless it is written in the statement that a lifelong condition exists, this exemption statement is valid for only one year from the date signed by the physician.

2) To claim exclusion for reasons of conscience, including a religious belief, a signed affidavit must be presented by the child’s parent or legal guardian, stating that the child’s parent or legal guardian declines vaccinations for reasons of conscience, including because of the person’s religious beliefs. The affidavit will be valid for a two-year period. The child, who has not received the required immunizations for reasons of conscience, including religious beliefs, may be excluded from school in times of emergency or epidemic declared by the commissioner of public health.

A) A person claiming exclusion for reasons of conscience, including a religious belief, from a required immunization may only obtain the affidavit form by submitting a written request to the department. The request must include the following:

(i) Full name of child; and
(ii) Child’s date of birth (month/day/year)

B) Requests for affidavit forms must be submitted to the department through one of the following methods:

(i) Written request through the United States Postal Service (or other commercial carrier) to the department at DHS Immunization Branch, Mail code 1946, PO Box 149347, Austin, TX. 78714-7544
(ii) By facsimile at (512) 458-7544;
(iii) BY HAND-DELIVERY AT THE DEPARTMENT’S PHYSICAL ADDRESS AT 1100 West 49” St. Austin TX. 78756 or
(iv) Via the department’s Immunization program Internet website (go to www.ImmunizeTexas.org).
(C) Upon request, one affidavit form per each child will be mailed unless otherwise specified (shall not exceed a maximum of five forms per child)

(D) The department shall not maintain a record of the names of individuals who request an affidavit and shall return the original request (where applicable) with the forms requested.

(E) To claim exclusion for armed forces, persons who can prove that they are serving on active duty with the armed forces of the United States are exempted from the requirements in these sections.

**Rule 97.64**

**Required Vaccinations for Students Enrolled in Health-Related Courses in Institutions of Higher Education**

(a) This section applies to all students enrolled in health-related courses, which will involve direct patient contact in medical or dental care facilities. This includes all medical interns, residents, fellows, nursing students, and other who are being trained in medical schools, hospitals, and health science centers listed in the Texas Higher Education Coordinating Board’s list of higher education in Texas; and regardless of the number of courses taken, number of hours taken, and the classification of the student.

(b) Students may be provisionally enrolled for up to one semester or one quarter to allow students to attend classes while obtaining the required vaccines and acceptable evidence of vaccination.

(c) Students cannot be provisionally enrolled without at least one dose of measles, mumps, and rubella vaccine if direct patient contact will occur during the provisional enrollment period.

(d) Polio vaccine is not required. Students enrolled in health-related courses are encouraged to ascertain that they are immune to poliomyelitis.

(e) One dose of tetanus-diphtheria toxoid (Td) is required within the last ten years.

(f) Students who were born on or after January 1, 1957, must show, prior to patient contact, acceptable evidence of vaccination of two doses of measles-containing vaccine administered since January 1, 1968.

(g) Students must show, prior to patient contact, acceptable evidence of vaccination of one dose of rubella vaccine.

(h) Students born on or January 1, 1957, must show prior to patient contact, acceptable evidence of vaccination of one dose of mumps vaccine

(i) Students shall receive a complete series of hepatitis B vaccine prior to the start of direct patient care or show serologic confirmation of immunity to hepatitis B virus.

(j) Students shall receive two doses of varicella vaccine unless the first dose was received prior to thirteen years of age.
