

Coastal Bend COLLEGE

Hello Students!

CBC faculty and staff are excited to see you all back on campus! **It's going to be a GREAT year!**

As new students to CBC or students who plan to graduate under one of the new 2014-15 or later CBC degree plans, you are required to take EDUC 1300/My Cougar Course. Please visit www.coastalbend.edu/MyCougarCourse for more information. If you do not have EDUC 1300/My Cougar Course on your schedule or on your transcript, be sure to contact an advisor and register for it today! It is offered as a face-to-face course which meets twice a week, a hybrid course which typically meets only once a week, online, and as an Accelerated Learning course that meets for 8 weeks for one 3-hour class each week.

Students enrolled in the EDUC 1300 Hybrid courses need to plan to attend a currently unscheduled lab so that we may work closely with you to make sure you understand how to navigate Campus Connect, Blackboard, and the CBC web site. The last week of the semester we need you to attend two days also.

Beeville Advising: 361/354-2277
Alice Advising: 361/354-664-2981, Ext. 3025
Kingsville Advising: 361/592-1615, Ext. 4077
Pleasanton Advising: 830/569-4222, Ext. 1225

See you soon!

Sincerely,
Heather Anderson
