What is “iDiscovery Safari”?

- A career and education event that promotes Coastal Bend jobs and the education needed for those jobs hosted by Education to Employment Partners (the region’s P-16 council)
- Focuses on six high-demand career areas: Architecture & Construction; Public Service; Science, Technology, Engineering & Math (STEM); Arts, Audio/Visual Technology; Health & Wellness; and Education and Training.
- Experts in their fields present engaging hands-on, interactive demonstrations and activities to excite students about careers.

Who Should Attend?

- Children from elementary/middle school and their parents to find out about career pathways
- High schools students preparing for college and careers
- Adults seeking information about education and career opportunities

Who Benefits?

- Children, parents and community members from 11 Coastal Bend counties
- Postsecondary institutions seeking to increase enrollment
- Companies needing a skilled and educated workforce
- Communities vying to become globally competitive
