

Student Agreement Form-Tape Recording Lectures

In subpart E of Section 504 of the 1973 Rehabilitation Act and the Americans with Disabilities Act Rehabilitation Act, it is states...

“ A recipient may not impose upon handicapped students other rules, such as the prohibition of tape recorders in classrooms or of dog guides in campus buildings, that have the effect of limiting the participation of handicapped students in the recipient’s education program or activity. “

Therefore to comply with Section 504, institutions of higher education must provide reasonable accommodations to a student’s known disability and may not deny equal access to the institution’s programs, courses, and activities. Recording lectures is a reasonable accommodation for students whose documentation calls for this accommodation.
