## What is the difference between the ACT & SAT?

The SAT contains three sections: Reading, Math, and Writing and Language. The ACT contains four sections: Reading, Math, English, and Science. Both also have an optional essay. Each section has a different format of the ACT compared to the SAT, but only a few differences really matter.

# 2018 Summer Component & Bridge Program

Starting in June, we will begin our six-week summer program. Where we will have classes Mon. Wed. & Thurs., and educational field trips on Fridays. This summer program offers instruction in Mathematics, English, Laboratory Science, Foreign Language, Life Management Skills, Computer Science and Fine Arts. If you are going to attend please let us know.

Also attendance does get you points that will be applied to your summer trip. Check in for Seniors & Dual Credit Juniors who are staying in the dorms is June 4th; all other Ubers have will be starting June 5th. You MUST have your mcv4 (meningitis) immunization done by May 25th if it has expired. Make sure to attend summer meetings for a list of items needed. Class schedules and books will be handed out June 4th upon check in.

Our TRiO Tuesdays where we will have the Educational Talent Search (ETS) join in on the fun. We will be playing games, enjoying speakers, and little birdies have said Alamo Draft House, Beeville Pool, & dance are also in the mix. Trio Tuesdays will bring together both UB programs and Educational Talent Search (Beeville and Alice campuses) so expect to meet a lot of new friends. The TSI will also be given on Tuesdays for Freshman and Sophomore who would like to take dual credit classes in the Fall.

## Seniors

Don't forget to turn in your baby pictures for the senior presentation! You've seen the presentations before so you know we will need a baby picture and your senior picture so we can honor your achievements together!

Login Page Create Student Account A Student can create their own account by first going to the login page at [www.foundationsdigital.com](http://www.foundationsdigital.com) and clicking on the “Create a Student Account” button.

Enter your First Name, Last Name and Email and create a password. It is highly recommended that you use your school provided email address if you have one; however, any valid email address will work.

*Note: You must validate your email address before you will be allowed to login to FoundationsDigital.*

You should get an email from FoundationsDigital within 10 minutes. There will be a link in the email that you will click on to verify your email address and then you can login to the system.

*Note: If the student does not get an email, please make sure they check their spam folder.*

Once you click on the link in your confirmation email, you will come to the page with a “Success” message. You can now login with your email address and the password you created!

When you first log into FoundationsDigital, you will not be enrolled in any Courses. To enroll in a Course, you simply click on the “Join Course” button.

When you click the “Join Course” button, you will be presented with a window to enter a Class Code.

*What is the Class Code?* The Class Code is found in the Teacher Dashboard and must be provided by the teacher. Each Class the teacher creates is assigned a unique Class Code. The teacher must provide the student with the Class Code, and the student enters it on this screen.)

*Note: All students in a class will enter the same Class Code. Class Code = 95b40b*

Once you successfully enter a Class Code, you are now enrolled in the Course and the appropriate Course Card will appear on your dashboard. You will simply click on the Course Card to enter the course.

When you enter a Course, you will see the Course Modules. You can then click on “Start” to begin the Module and view content.

Once you enter a Module, you will see the content. You can navigate through the material using the “Next” and “Previous” buttons. You can also use the Left Navigation to navigate.

*Note: The content items will ONLY be marked as “completed” when using the “Next” button. If they use the left-hand navigation, the content items will NOT be marked as completed.*
