

Dear Parent/Guardian:

Your child has indicated an interest in the Upward Bound Program at Coastal Bend College. Upward Bound (UB) is a free college preparatory program for high school 9th and 10th grade students funded by the U.S. Department of Education. UB is specifically designed to strengthen the academic skills of eligible high school students to excel academically and pursue postsecondary degrees after high school graduation.

Year-round services provided by UB include:

- Tutorial services during the academic school year to strengthen academic skills
- Workshops and seminars to enhance motivation to succeed in post-secondary education
- A 6 week summer instructional component that is designed to simulate a college-going experience that includes daily coursework in core curriculum subjects as well as other related activities such as field trips and special events
- Academic advising from UB staff and individual assistance with the college admissions and financial aid application process during the academic school year

In order to comply with federal regulations, all UB participants must meet the following criteria:

- Indicate an interest in attending college
- Demonstrate academic need (low grades and/or low test scores)
- Qualify as Low-Income and/or Potential First-Generation college graduate (neither parent has received a 4-year degree)
- Commit to remain active in UB until high school graduation

Please complete this application and return it to your child so that he or she may submit it to the counselor. All completed applications will be reviewed and eligible applicants will be contacted within 30 days for a **Student and Parent Interview** with program staff.

Thank you for your interest in the Upward Bound Program. Please call us at 361-354-2716 if you have any questions or need additional assistance.

Sincerely

Cheryl Baird
Director
