In Recognition of Service Excellence at CBC

Provide a brief description of how nominee demonstrates service excellence at Coastal Bend College:

I would like to recognize my boss Lupe Ganceres for the Service Excellence Award. Aside from being a wonderful boss, she is proficient as the Talent Search Project Director. She has always ensured we treat students, parents, faculty, or anyone who walks in our office with respectfully and courteously. She is an effective listener and great problem solver.

Some characteristics that exemplify her great leadership ability and the fact she is a great “team player” is chairing the graduation committee. She has worked hard to encouraged and built a well-oiled machine of volunteers, that come together under her leadership to work hard, show up without pay, and take pride in their work to make graduation day wonderful, and a memorable event so that parents and CBC graduates can remember all their lives. She has chaired this committee for almost three years.

Finally, Lupe is the type of employee who has always had a willingness to take the initiative, and accept and carry out additional responsibilities beyond her regular job assignments for the good of the campus community as a whole. That type of employee needs to be recognized.
