Coastal Bend College (361) 354-2258**

BEEVILLE— Coastal Bend College management met today with the Texas Higher Education Coordinating Board after reviewing THECB’s draft report of how the college managed the Carl D. Perkins Basic Grant from 2015 through 2018.

In preparation for the meeting, CBC management gathered materials to support its position on areas where we believe corrective measures should be considered. CBC management looks forward to the opportunity to engage in collaborative dialogue of how the college managed the Carl D. Perkins Basic Grant from 2015 through 2018. THECB has affirmed CBC’s management response will be incorporated in their final report.

“The college takes seriously the recommendations made by the THECB during the review process and continues to work on corrective measures that improve the college operations,” said Dr. Beatriz Espinoza.

Representatives from CBC management will be attending the Coordinating Board Agency Operations Committee meeting scheduled for April 24, 2019.
