

# **Administrative Master Syllabus**

## **Cover Sheet**

<u>Purpose</u>: The Administrative Master Syllabus provides a general course description, defines the required elements of the course, and establishes a faculty-driven foundation for course assessment to ensure continuous improvement in student learning, irrespective of the course timeframe, or mode of course delivery.

Course Catalog Description:  A study of administrative tasks needed to maintain a Windows Server operating system including user and group management, network assess and data security. Topics include how to implement, configure and manage Group Policy infrastructure, Group Policy objects (GPOs) using links, security groups, WMI filters, loopback processing, preference targeting and troubleshooting policy application  Prerequisites/Co-requisites:  None  Approval: The contents of this document have been reviewed and are found to be accurate. # Textbook and/or other major required readings:

Title: TestOut Server Pro 2016: Identity

Author TestOut
Publisher: TestOut
Edition: Version 4

ISBN: 978-1-935080-68-8

## The Student Learning Outcomes for the course are the same regardless of modality or location.

# Course Outcomes (WECM or LDACGM)

Student Learning Outcomes – Subject Matter Specific (SLOS):

Upon successful completion of this course, students will:

- 1. Maintain a Windows Server operating system including user and group management, network access and data security.
- 2. Implement, configure, and manage Group Policy infrastructure, Group Policy objects (GPOs) using links, security groups.
- 3. Apply WMI filters, loopback processing, preference targeting and troubleshooting policy application.

The following general education course competencies (TGE) or Marketable SCAN Skills (CTE/NAH) are addressed in this course: General education course competencies (TGE) or Marketable SCAN Skills (CTE/NAH) assessed are indicated with an asterisk \*.

Student Learning Outcomes - Marketable SCAN Skills (SLOM):

Upon successful completion of this course, students will:

- 1. **Judgment and Decision Making** Considering the relative costs and benefits of potential actions to choose the most appropriate one.
- 2. **Complex Problem Solving** Identifying complex problems and reviewing related information to develop and evaluate options and implement solutions.
- 3. Operations Analysis Analyzing needs and product requirements to create a design.

## The following program student-learning outcome are assessed for this course:

Program Level (PLO) (as related to this course)

This course provides instructional elements in partial requirements to the following:

- 1. Install and maintain Active Directory Services.
- 2. Create and administer Group Policy.
- 3. Manage AD Certificate Services, Federation Services, and Rights Mgmt.

#### **Evaluation Methods:**

Activity Types	SLOS	SLOM	PLO	Weights (%)
Introductory quiz and/or introductory access to				
Blackboard or 3 <sup>rd</sup> party platform				
Periodic quizzes and/or Mid-Term assessments	1, 3	2	1	40
Technology-Based application and demonstration	2, 3	1, 2, 3	All	15
Final Course Assessment	1, 2	1	2	45
Total:				100%

<sup>\*\*</sup>Instructor should remain in relevant range of stated weights\*\*

**Course Grading: Please** see individualized instructor policies for course evaluation methods. Students will be assessed on the same measure across each discipline as per CBC guidelines.

# Major Course Assignments and/or exams counting for at least 10% of a final course grade:

- Periodic quizzes and/or Mid-Term assessments
- Technology-Based application and demonstration
- Final Course Assessment

#### **Grade Scale:**

Final grades for all courses will be based in the following manner:

A = 90% - 100%

B = 80% - 89%

C = 70% - 79%

D = 60% - 69%

F = 59% or Below

#### **Course Subject Matter Outline:**

Material Material
Install Active Directory
Plan Active Directory
Manage Active Directory Objects
Managing the Active Directory Database
Group Policy
AD Certificate Services
Active Directory Federation Services (AD FS)
Active Directory Rights Management Services (AD RMS)

## **Additional Course Requirements:**

Students shall be provided a supplemental class document containing, but not limited to: Instructor contact and availability information including student guidance hours and class meeting times and locations. In addition, policies related to course grading, class attendance (both in-person and online), classroom policies, assignment/submission detailed due dates, late assignment provisions, and general information on the nature and calculations of required elements for testing and other assessments.

#### **Class Attendance and Classroom Conduct Policies**

Attendance Policy: Please see individualized instructor policies for attendance, which is pursuant to any related policy as outlined by the college handbook, financial aid agreements, or any other college related understanding (e.g., athletics, organizations).

Telephone Support: Toll Free: 866-722-2838 or Direct Line: 361-354-2508

For additional information, visit our website at <a href="http://coastalbend.edu/finaid">http://coastalbend.edu/finaid</a> or contact us at 361-354-2238. Office hours: Monday - Friday from 8:00 a.m. to 5:00 p.m.

ADA Statement: No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of the College District, or be subjected to discrimination by the College District. Nor shall the College District exclude or otherwise deny equal services, programs, or activities to an individual because of the known disability of an individual with whom the individual is known to have a relationship or association. 42 U.S.C. 12132; 28 CFR 35.130(g). See at: GA (Legal)

Students with Disabilities: Please notify your instructor of any modification/adaptation you may require accommodating a disability-related need. You will need to provide documentation to the Director of Accessibility Services so the most appropriate accommodation can be determined. Specialized services are available through the Office of Accessibility Services (OAS) (SSB 4.104, 471-6259). For more information, please email oas@coastalbend.edu.

Scholastic Dishonesty: Each student is charged with notice and knowledge of the contents and provisions of Coastal Bend College's rules and regulations concerning student conduct. All students shall obey the law, show respect for properly constituted authority, and observe correct standards of conduct. Scholastic dishonesty shall constitute a violation of these rules and regulations and is punishable as prescribed by Coastal Bend College Policies FLB (Local) and FM (Local). Scholastic dishonesty shall include, but not be limited to, cheating on a test, plagiarism, and collusion. See at: <a href="FLB (Local">FLB (Local</a>) and <a href="FM (Local">FM (Local</a>).

**Use of E-mail for Official Correspondence to Students:** All students should be familiar with the college's official email student notification policy. Students are expected to check their CBC email on a frequent and regular basis to stay current with college-related communications, recognizing that certain communications may be time-critical.

Copyright Law and Intellectual Property Rights Policy: Copyright is the right of an author, artist, composer or other creator of a work of authorship to control the use of his or her work by others. Protection extends to literary works, musical works, dramatic works, pantomimes and choreographic works, pictorial and graphic works, sculpture, motion pictures and other audiovisual works, sound recordings and architectural works. Generally speaking, a copyrighted work may not be reproduced by others without the copyright owner's permission. The public display or performance of copyrighted works is similarly restricted. Generally, the unauthorized reproduction, performance or distribution of a copyrighted work is copyright infringement and may subject the infringer to civil and criminal penalties. The Fair Use Doctrine outlines exceptions to this Law and is outlined in Coastal Bend College Policy, CT (Legal). Coastal Bend College, its faculty, students and employees must comply with Copyright Law. Detailed information on Copyright Law and Intellectual Property Rights is available in Coastal Bend College Policy CT (Legal) and CT (Local). Questions regarding this information should be directed to the Director of Library Services at: <a href="mailto:library@coastalbend.edu">library@coastalbend.edu</a> or the Office of Marketing and Public Relations at: <a href="mailto:socialmedia@coastalbend.edu">socialmedia@coastalbend.edu</a>.

Intellectual Property: Student /Third Party Works: Rights to copyrightable or patentable works created by a student or a third party, that is, not a College District employee, shall reside with the author/ creator. Detailed information on Copyright Law and Intellectual Property Rights is available in Coastal Bend College Policy CT (Legal) and CT (Local). Questions regarding this information should be directed to the Director of Library Services at: <a href="mailto:library@coastalbend.edu">library@coastalbend.edu</a> or the Office of Marketing and Public Relations at: <a href="mailto:socialmedia@coastalbend.edu">socialmedia@coastalbend.edu</a>.

**NOTE:** The College website (<a href="http://coastalbend.edu">http://coastalbend.edu</a>) serves as the main source with the most current version of the Coastal Bend College Board Policies and the Coastal Bend College Catalog.

Student success is our number one priority at Coastal Bend College, and we realize that prompt, effective communication (such as emails, assignment feedback, discussion boards and announcements) plays a significant role in achieving that goal. It is vitally important that you have the proper contact information for your instructor. This should include their phone number, email address, and if applicable, their office number, and office hours. Faculty schedules can be located online at <a href="http://coastalbend.edu/hb2504/">http://coastalbend.edu/hb2504/</a> If you have any problems contacting your instructor, or do not receive a prompt response to your inquiries, please contact the Dean or Division Coordinator/Program Director as soon as possible. Their contact information is provided below:

Jarod Bleibdrey
Dean of Career and Technical Education
361-354-2339
jbleibdrey@coastalbend.edu

Lisa C. Bowman-Bowen
Public and Professional Services
Coordinator
(361) 664-2981 ext. 3005
Ibowman-bowen@coastalbend.edu

We wish you all the best in your education and encourage you to contact us if you have any questions or concerns.

Keeping student success in sight, faculty in each of the courses will review the course information, including specific reading schedules, assignments, and testing information, with students during the first week of class.

Additionally, the course information will be posted to Blackboard.

This master syllabus is subject to change due to unforeseen circumstances.
