A Message from the President of Coastal Bend College

Greetings from Coastal Bend College;

As the President and Chief Executive Officer of Coastal Bend College, the safety of our CBC community is of paramount importance to me, the Board of Trustees, and the staff of Coastal Bend College. Transparency in policy and operation lies at the core of our responsibility as a public institute of higher education to prepare and distribute an Annual Security and Fire Report (ASFR).

The Coastal Bend College District ASFR is prepared by the CBC Police Department under the review and oversight of the CBC Safety Committee. The ASFR is published annually to be in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) and subsequent amendments specified in the Higher Education Opportunity Act (HEOA) and the reauthorization of the Violence Against Women Act (VAWA).

The ASFR is intended to provide the public with information concerning the safety and security policies in place at CBC. In addition, the report provides consumer information regarding counseling, sexual assault prevention and crime prevention programs available to CBC students. Additionally, the 2021 ASFR publishes the crime statistics for the 2018, 2019, and 2020 calendar years for public review.

Coastal Bend College remains keenly aware that safety awareness and crime prevention is an integral aspect of ensuring the welfare of all who visit our campuses. It is our intention to provide a learning and working environment free of the risk of crime or other avoidable and preventable hazards.

2020 was a difficult and challenging year, as we, as a society, suffered greatly as a consequence of the COVID-19 Pandemic and the attendant

adverse conditions it caused and is still causing. To provide both our students and employees with protection against this pandemic we shifted most of our instruction to online and virtual modes to meet the needs of our student population while at the same time protecting them from unnecessary exposure.

Whether a student, employee, or visitor, as members of the CBC community we each share the common responsibility of safety. We are all partners in providing a risk-free environment in which we may concentrate on life goal attainment through our studies, work, and personal lives. As we do this, we do so with the confidence of knowing we represent one of many who are an integral part of ensuring safety and security for all of CBC.

In closing I invite each member of our CBC community to keep CBC a safe and secure environment for all.

Be Aware, Be Safe, and Report suspicious activity

The Coastal Bend College District

Coastal Bend College (CBC) is a State supported two-year community college. CBC has one main campus in Beeville and three other instructional campus sites located in Alice, Kingsville, and Pleasanton. The annual enrollment inclusive of all sites averages 4500+ students, including dual enrollment high school students. The CBC Beeville Campus is the only residential campus within the district, with a co-ed Dormitory (Benton Hall) and student apartments.

The service area for CBC is defined by the Texas Legislature and includes all or parts of 9 southeast Texas counties: Bee, Live Oak, Atascosa, Karnes, Duval, Kleberg, Jim Wells, Brooks, and McMullen.

Service Area Map

Coastal Bend College (CBC) is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award certificates and associate degrees.

1. The Coastal Bend College Annual Security and Fire Report

Introduction

The Coastal Bend College (CBC) community is a great place to live, work, and study. However, as with every community, it is not immune to the kinds of problems that has beset the rest of the nation. Crime does occur

within our community as a whole and, to a lesser extent, at Coastal Bend College.

CBC makes every attempt to provide a safe and secure environment for students, staff, and visitors. However, it is possible to maintain safety and security only when every student, faculty and staff member takes an active part in the effort. No matter how effective the College's programs are, the primary responsibility for safety and security lies with each of us. No public safety organization or set of procedures can be effective unless individuals exercise reasonable care and prudence. At CBC, safety and security is both a collective and personal responsibility.

The purpose of this publication is to:

- Provide the CBC community with an overview of CBC public safety services.
- Publish crime statistics and information required by The United States Department of Education (USDE), Office of Postsecondary Education and the Clery Act. (*Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act*).
- Inform current and prospective students, staff, and visitors about the College's policies and programs designed to help keep them safe.
- Share information regarding emergency preparedness and planning.
- Provide facts regarding reporting crime, fire safety, fire statistics, and fire-related information.

To fulfill this purpose, the contents of this report contain detailed consumer information regarding:

- crime prevention,
- fire safety,
- law enforcement,
- crime reporting policies,

- disciplinary procedures
- areas of security and safety on campus.
- Campus crime statistics for the last three calendar years

Members of the campus community are encouraged to use this report as a guide for safe practices on and off campus. The crime statistical information is available at the end of this report or by accessing the Crime Statistics link on the CBC Public Safety [website](#). For more information or to request a paper copy of this report, contact the CBC Police Department at (361) 354-2611.

In the preparation of the Annual Disclosure of Crime Statistics, The College coordinates the collection and reporting of crime statistics as specified by the USDE in the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act).

This report is prepared and submitted annually by the CBC Police Department. As a part of this process, CBC submits a written request to Campus Security Authorities (CSAs) requesting information about all Clery Crimes that occurred on CBC's Clery Geography that were reported to them.

Confidential Reporting

CBC does allow individuals to report crimes on a confidential, voluntary basis for inclusion in the annual disclosure of crime statistics. Reports of criminal activity given to CSAs and reports of crimes made to local law enforcement agencies are collected and included in the Annual Security and Safety Report as required by the Clery Act.

"Campus Security Authority" (CSA) According to the Clery Handbook, a campus security authority (CSA) is defined as "an official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and

campus judicial proceedings. An official is defined as “any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.”

- The function of a campus security authority is to report allegations of Clery Act crimes that he or she receives to the local law enforcement and CBC Police Department. CSAs are responsible for reporting allegations of Clery Act crimes that are reported to them in their capacity as a CSA. This means that CSAs are not responsible for investigating or reporting incidents that:
 - they overhear students talking about in a hallway conversation;
 - a classmate or student mentions during an in-class discussion;
 - a victim mentions during a speech, workshop, or any other form of group presentation; or
 - the CSA otherwise learns about in an indirect manner.

Persons and entities who crimes can be reported to at Coastal Bend College during calendar year 2020

- Any law enforcement officer, including State Police, County Sheriff’s Deputies, Municipal Police Officers and CBC Police Officers.
- Dean of Student Services and Accessibility
- Student Services advisors and counselors (Note: *This requirement does NOT apply to or include Licensed Professional Counselors [LPC] or Mental Health Counselors [LMHC]*)
- Student Life & Housing Coordinator
- Any RA at Benton Hall
- Each member of the CBC Behavioral Intervention Team (BIT) *with the exception of LPCs or LMHCs*
- Provost
- Dean of Academics

- Dean of Allied Health
- Director of Nursing
- CBC Title IX Coordinator
- Athletic Director
- All athletic coaches

Campus Security and Crime Awareness is accomplished through the teamwork of the College community. CBC consistently attains some of the lowest crime statistics among its peer colleges in Texas. We attribute this accomplishment to the close working relationships we have established with local law enforcement agencies. Our local law enforcement partners assist CBCPD by maintaining a police presence at each of our CBC Sites and assist the CBCPD in providing a visible criminal deterrence in and around each CBC Instructional Site.

The prevention and reduction of criminal activity in any community is problematic at best. Although college campuses historically have lower crime rates than in their surrounding communities, any criminal act perpetrated on a college campus tends to have a chilling effect upon the college community. Success in crime prevention and safety at CBC depends largely on the education and participation of the campus community. The campus community is provided information about safety programs and services, but individuals should be advised that they are ultimately responsible for their own security and safety.

The CBC ASFR contains important;

- information for reporting crimes,
- relevant college policies and procedures,
- law enforcement and security on campus
- support services for victims of crimes.
- Annual statistics for fires and crime that occur on campus

It is the policy of CBC to provide an environment conducive to an educational mission; thus, any conduct that is prohibited by state, federal or local law is subject to discipline under the provisions of policies stated in the Coastal Bend College [Policy Manual](#) and Student Handbook found in the [CBC Catalog](#) as appropriate.

The College monitors and reports to law enforcement agencies illegal conduct of students, faculty or staff on College premises or off-campus locations. In addition, College officials may refer any evidence of illegal activities to the proper local, state or federal authorities for review and potential prosecution in the event that a situation arises, either on or off campus, involving a crime reported under the Clery Act, that, in the judgment of the Chief of Police, constitutes an ongoing and continuing threat, a campus-wide “timely warning” will be issued. The circumstances in which a Timely Warning will be generated include, but are not limited to, the receipt of a good faith report to the CBC Police Department or other Campus Security Authority (CSA) of a crime reportable under the Clery Act that poses a serious or continuing threat to the campus community.

The Chief of Police or his designee is responsible for determining if a Timely Warning will be issued. The determination will be made on a case-by-case basis after due consideration of all available facts of the crime, such as the nature of the crime, is the incident a “Clery Act reportable crime”, and whether or not a continuing danger to the campus community exists.

Notification of Criminal Activity or Safety Issues

In an effort to provide timely notice to the Coastal Bend College community, and in the event of a serious incident which may pose an ongoing threat to members of the CBC community, a [Timely Warning Notice](#) will be sent to all students and employees via the [Cougar Alert](#)

System described in Chapter 6 of this publication. The warnings are generally written by the Chief of Police or a designee and distributed to the community.

Depending on the particular circumstances of the crime or other safety issue, especially in situations that could pose a viable threat to the community and individuals, the CBCPD may post a notice to provide the CBC community with more immediate notification on the CBCPD website at: <http://coastalbend.edu/publicsafety/> and through the CBC Alert System mentioned above and discussed further in this document.

In such instances, a copy of the notice may be posted at Benton Hall, the CBC Apartments, at the entrance to each academic building, at the Marecek Physical Fitness Center, and in Student Centers of each CBC Site.

Collection of Crime Statistics

In order to provide timely and factual information concerning safety and security on our sites and campuses, Coastal Bend College annually requests that local area law enforcement agencies with concurrent criminal jurisdiction provide crime statistics that they have knowledge of that occurred on CBC property or areas contiguous to any CBC campus.

Further we request through Memorandums of Understanding (MOU) that law enforcement agencies notify the CBCPD or Site Director immediately about any serious crimes that may cause an ongoing threat to any CBC site or the surrounding community.

2. The Clery Act

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) is a federal mandate requiring all institutions of higher education that participate in the federal student financial aid program to make known crimes occurring on their campus and in the surrounding community. The Clery Act is enforced by the U.S. Department of Education, and campuses that fail to comply are penalized with hefty fines and may be suspended from participating in federal financial aid programs. The Clery Act was signed in 1990 and is named after Jeanne Clery. She was a student who was raped and murdered in a residence hall at Lehigh University in 1986. Clery's parents lobbied Congress to enact the law so that parents, students and faculty know about crimes on campus.

Compliance with the Clery Act: The Clery Act requires Coastal Bend College (CBC) to provide timely warnings of crimes that represent a

threat to the safety of students and employees. The campus security policies are made available to the public on the CBC website. The act requires CBC to collect, report and make the Annual Security and Safety Report available to the public as well as to the Department of Education.

CLERY COMPLIANCE AND REQUIRED REPORTING RESPONSIBILITIES

To be in full conformity, CBC:

- Publishes and distributes the **Annual Security and Safety Report** to current students, prospective students and employees by October 1st of each year. The ASFR includes crime statistics for the past three years, campus policies about safety and security measures, campus crime prevention programs and lists procedures to be followed in the investigation of alleged sex offenses.
- Provides students and employees with timely warnings of crimes that represent a threat to their safety.
-
- Maintains and makes available a Crime and Fire Log of crimes or fires reported to them in the past 60 days that occurred within the Clery Geography of the affected CBC site. This report is available at [Daily Crime and Fire Log](#) and is accessible from the Daily Crime Log hotlink found on the CBC Public Safety Website.

Clery requires universities and colleges to include four general categories of crime statistics:

- **Listed Criminal offenses**
- **Hate crimes**
- **Violence Against Women's Act (VAWA) Offenses**
- **Arrests and Referrals for Disciplinary Action involving Drugs and Alcohol violations**

Statistics must be disclosed separately for each of these for general categories. This means that when an incident meets definition in more than one of these categories, it must be reported in each category. For example, any criminal offense that is also a hate crime or VAWA offense should be counted as a criminal offense and also as a hate crime or VAWA offense.

HATE CRIMES DEFINED

As defined by the Department of Education, a **Hate Crime** is;

“a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator’s bias against the victim.”

The federal law further defines hate crimes as crimes that manifest evidence of prejudice based on ***race, religion, sexual orientation, or ethnicity, and disability.***

The Texas Hate Crimes Act, Chapter 411.046 of the Texas Government Code, defines hate crimes;

“as crimes that are motivated by prejudice, hatred, or advocacy of violence including, but not limited to, incidents for which statistics are or were kept under Public Law 101-275 (the Federal Hate Crimes Statistics Act).”

Texas Penal Code - PENAL § 12.47. Penalty if Offense Committed Because of Bias or Prejudice

(a) If an affirmative finding under Article 42.014, Code of Criminal Procedure, is made in the trial of an offense other than a first degree felony or a Class A misdemeanor, the punishment for the offense is increased to the punishment prescribed for the next highest category of offense. If the offense is a Class A misdemeanor, the minimum term of confinement for the offense is increased to 180 days. This section does

not apply to the trial of an offense of injury to a disabled individual under § 22.04 , if the affirmative finding in the case under Article 42.014, Code of Criminal Procedure , shows that the defendant intentionally selected the victim because the victim was disabled.

The **Clery Act** requires the following eight categories of Hate Crimes to be reported:

- race,
- religion,
- sexual orientation,
- gender,
- gender identity (new),
- ethnicity,
- national origin and
- disability.

Violence Against Women Act (VAWA)

In addition to the items above the Coastal Bend College District Annual Security and Safety Report addresses the Violence Against Women Act (VAWA) amendments to the Clery Act. VAWA expanded the rights afforded to campus survivors of sexual assault, domestic violence, dating violence and stalking. The safety and security of all members of the College community are paramount issues of concern to CBC and is in compliance with both the spirit and content of the VAWA.

VAWA requires CBC to disclose crime statistics for **dating violence, domestic violence, sexual assault** and **stalking**. We also provide an institutional policy statement outlining the procedures we will follow after receiving a report of these incidents as well as identifying the rights and options available to survivors.

The Clery Act requires sex offenses to be addressed in four separate categories:

- 1) Rape
- 2) Fondling
- 3) Incest
- 4) Statutory Rape

CBC is required to report statistics for bias-related (hate) crimes by the type of bias as defined below for the following classifications:

1. murder/non-negligent manslaughter,
2. sex offenses (forcible and non-forcible),
3. robbery,
4. aggravated assault,
5. burglary,
6. motor vehicle theft,
7. arson,
8. larceny-theft,
9. simple assault,
10. Intimidation and
11. destruction/damage/vandalism of property.

See section 11 of this report for a list reported crimes and crime statistics for the last three (3) calendar years

The information in this section is in accordance with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989.

Coastal Bend College promotes an environment that rejects substance abuse as an acceptable lifestyle, informs about resources for preventing or treating substance abuse, and helps people to make healthy decisions about alcohol and other drugs. It is important to be aware of CBC's standard of conduct and disciplinary actions taken against students or employees who violate that standard.

Prevention of substance abuse is sought in several ways by:

Failure to fulfill the terms of the probation may lead to suspension or expulsion.

Normally, suspension shall extend through a minimum of one regular long semester (with summer sessions not counting in the one semester minimum time lapse). However, suspension may exceed the one semester minimum.

Possible emergencies that may occur include, but are not limited to the following:

- **Bomb threat**
- **Campus violence**
- **Major crime in progress or just occurred in vicinity of campus or site**
- **Civil unrest**
- **Explosion**
- **Fire**
- **Gas leak**
- **Hazardous material spill**
- **Sudden, unexpected, or unplanned Public health crisis**
- **Severe weather**
- **Terrorist incident**
- **Loss of electrical power**

DRILLS

The CBC Police Department through its Emergency Management Function is responsible for conducting tests of emergency response and

evacuation procedures on at least an annual basis through a variety of drills and exercises designed to assess and evaluate emergency plans and capabilities. Emergency notification systems are tested at least each quarter. Training Exercises are conducted annually and include tabletop, functional, full-scale or any combination thereof.

System tests and drills can occur at any time deemed appropriate by the Chief of Police and typically will be announced in advance to the effected CBC site. Drills and system tests are documented and should follow the informational requirements of a formal written assessment, such as the CBC Fire Drill form. In any case, the elements of any documentation should include;

1. a description of the test,
2. the date and time, location,
3. Whether it was announced or unannounced. (It is CBC policy that we do not conduct unannounced drills)
4. Fire and police response times, if available

In order to respond appropriately to various types of hazards, CBC staff receive training commiserative to their job description, and at a minimum receive familiarization and provided access to information concerning workplace safety protocols.

CBC EMERGENCY WARNING SYSTEM: COUGAR ALERT

A key part of Coastal Bend College's campus preparedness is the College emergency warning notification system — **COUGAR ALERT**. Despite advances in communication, there is no way to reach everyone instantly with a single message. However, the multi-layered communication approaches we have in place will help spread the word on emergency incidents.

Warning notifications and follow-up information will use the following layers of the **COUGAR ALERT**. They are:

- **Voice messaging:** Coastal Bend College faculty, staff and students will receive an emergency notification voice message.
- **Text Messaging:** Coastal Bend College faculty, staff and students will receive an emergency notification text message.
- **Twitter**
- **Facebook**
- **Desktop Popup Alerts:** An alert will be sent to the majority of CBC classroom & lab computers.
- **Digital Signs:** An alert will be sent to digital signs around campus.
- **Email:** An e-mail will be sent to all people with a coastalbend.edu address.

Upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the life, safety or security of the campus community occurring on campus, CBC will, taking into account the safety of the community, determine the content of emergency notification messages and initiate a **COUGAR ALERT**. Unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or contain, respond to, or otherwise mitigate the emergency.

The following campus officials have been designated to serve as **authorized officials** who are empowered to approve the content and **issuance of emergency notifications:**

- President or designee
- Chief of Police or designee
- Director of Marketing & Public Relations
- Director of Physical Plant Operations

When an authorized official receives a report of an imminent or already occurring situation that poses an immediate threat to life, safety or security at any CBC Site or function, the official will confirm the report to the best of their ability.

Depending on the situation, confirmation may be achieved through one or more of the following sources:

- State or local government officials
- Investigation by The CBC Police Department including off-duty Police officers employed by CBC.
- Investigation by other CBC department or employee,
- Investigation by the Fire Department and/or Police Department or Sheriff's Office with appropriate jurisdiction over the CBC Site
- County Emergency Services and/or Health Department
- Texas Department of State Health Services
- Texas Department of Public Safety
- Any other credible source

CBC Campus Status page: The [CBC PUBLIC SAFETY](#) Link is the focal point of the most complete information in all campus-related notices.

The CBC Police Department sends out timely mass notification announcements regarding potential campus threats and severe weather updates.

DIRECTIONS FOR INSTALLATION OF THE COUGAR ALERT SYSTEM

CBC Multi-Hazard Emergency Operations Plan

For emergency procedures, students may refer to the [Coastal Bend College Safety Plan](http://www.coastalbend.edu) which is available on the CBC website at www.coastalbend.edu under **Public Safety**. The **CBC Multi-Hazard Emergency Operations Plan** is comprised of many individual safety protocols. The following are some of the topics found covered by the CBC Safety Plan:

- CBC Active Shooter Protocol;
- Aggressive or Violent Behavior;
- Emergency Action Plan;
- Emergency First Aid;
- Evacuation for Person with Disabilities;
- Explosive Device Threat Procedures;
- Fire Drill Procedures;
- Fire Protection Plan;
- Hurricane Plan and
- Building Evacuation Routes.

Emergency Temporary Relocation of Instruction

In emergency situations, Coastal Bend College may request temporary relocation of on-campus and off-campus instruction. Emergency relocations are for unforeseeable situations such as natural disasters,

fires, or other extraordinary circumstances. Emergency relocations are not applicable to foreseeable situations such as renovations, one-time program offerings, or responses to employer requests. Unlike routine relocations in which a site permanently relocates to another single site, emergency relocations *temporarily* move instruction to another single site or to multiple other sites.

Coastal Bend College will submit requests in writing to the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). In the interest of time, requests may be emailed from the liaison or CEO to the president of the Commission with a copy to the director of substantive change. Include, for each site to be relocated:

- an explanation of the circumstances and rationale for the relocation,
- the name and current physical address of instruction,
- the name and physical address(es) to where instruction will temporarily relocate,
- the effective date of the relocation, and
- the estimated date – **no more than 60 days after the effective date** – on which all instruction will return to the original site.

The Commission will accept notification for a maximum of 60 days. If instruction cannot return to the original location by the estimated date, Coastal Bend College will contact the Commission, in advance, to request an extension up to 60 days. If instruction cannot return by the end of the extension, the institution may request another extension subject to approval by the Executive Council of the SACSCOC Board of Trustees. If Coastal Bend College determines a permanent relocation is necessary, Commission policies for campus relocation, off-campus instructional site relocation, and approval of new off-campus instructional sites will apply.

6. Release of Information & Media Relations

The CBC authorized information release official will determine, consulting with other CBC officials and the CBC Director of Marketing & Public Relations as appropriate, how much information is appropriate to disseminate at different points in time.

This determination will be based on the following:

- Nature of incident or threat
- Audience or segment of the CBC Community to be notified
- Location of the incident or threat

Depending on the circumstances, CBC may send emergency notification messages to the entire campus community or only a segment of the CBC population. If a confirmed emergency situation appears likely to affect a limited segment of the campus community, emergency notification messages may be limited to that group. If the potential exists for a very large segment of the CCBC community to be affected by a situation or

when a situation threatens the operation of the campus or site as a whole, then the entire campus or site will be notified. As continued assessment of the situation occurs, additional segments of the campus community may be notified if the situation warrants such action. The authorized official will, considering the nature of the threat and the population to be notified, choose the appropriate communication tool(s) to utilize.

Closure of Sites – Notification of Dual Enrollment Partner ISDs

In the event that any or all Sites are closed, it is the responsibility of the Director of Marketing and Media Relations, working with each Site Director or designee, to contact all Independent School Districts who are partnered with CBC. The ISD partners will be timely notified if there is to be a disruption in instructional delivery provided by CBC due to the unscheduled closing of any CBC site.

7. Security Awareness and Crime Prevention

Coastal Bend College is concerned about the safety and security of all students, faculty, staff and visitors to our sites. During each school year, the CBC Police Department sponsors training for individuals on various security and safety issues. Training and familiarization sessions routinely occur during New Employee Orientation, annual Employee Safety Training, New Student Orientation, Athletic Orientation and Employee Convocation and include:

- 1. CRASE (Civilian Response to Active Shooter Events)**
- 2. RUN, HIDE, FIGHT (online video)**
- 3. Fire Alarm and Portable Fire Extinguisher training**
- 4. Back Safety and Injury Prevention for all employees**
- 5. Forklift Safety for applicable employees**
- 6. 6 hrs. of mandatory safety awareness training for employees each Spring**
- 7. Fire Drills each September for Dormitory residents**
- 8. Fire Drills and evacuation training for all sites**

Crime Prevention Education and Prevention Programs 2020

Coastal Bend College provided the community with programs that aid in promoting the prevention of;

- dating violence,
- domestic violence,
- sexual assault and
- stalking

for all incoming students and new employees and ongoing awareness and prevention campaigns for current students and employees.

Coastal Bend College Educational Programs and Resources: In addition to assisting students and employees with complaints, the College targets

strategies aimed at reducing or eliminating sexual violence by offering or making available the following resources and educational program to students and employees:

Due to the COVID 19 Pandemic, CBC chose to close the campuses and convert to online instruction in late March of 2020. Some safety programs, such as Operation Safe Walk, were temporarily discontinued. The college continued to provide online safety awareness training to both students and employees by online training

The College offered the following prevention and awareness programs in 2020:

2. New Student Orientation sessions throughout the calendar year on Title IX and the Campus SaVE Act, offered both online and in-person
3. Online Title IX and Campus SaVE Act Trainings for Faculty and Staff
4. Posters and Flyers displayed at each site on Title IX and the Campus SaVE Act
5. Coastal Bend College Sexual Violence Brochure (Facts and Resources on Sexual Assault, Stalking, Dating Violence and Domestic Violence)
6. Texas Association Against Sexual Assault Brochures (Confronting Sexual Assault; Strategies for Avoiding Sexual Assault; Stalking)
7. In partnership with the **Woman's Shelter of South Texas**, CBC provided office space for this victim assistance organization at the Beeville CBC main campus in order to continually provide support, counseling, and treatment to both women and men who may need access to relevant services and programs.

The Woman's Shelter offers support and empowerment to children, women, and men through a variety of services, programs and referrals. The Woman's Shelter is more than just a shelter, they help victims of domestic violence and sexual assault regain their independence. They provide programs and literature to our students in the following areas;

- Dating Dangers

SEXUAL MISCONDUCT PROTOCOL

Coastal Bend College is committed to maintaining a respectful, professional, academic and working environment for students, faculty, staff, and visitors. This includes having an environment free from unlawful sexual misconduct. This protocol applies to all settings and activities of Coastal Bend College whether on District property or off.

The Coastal Bend College Sexual Misconduct protocol covers all;

1. **students** ("student" means a person who is currently enrolled in the Coastal Bend College, accepted for admission or readmission to Coastal Bend College, or who has been enrolled in Coastal Bend College during a prior semester or summer session and is eligible

to continue enrollment in the semester or summer session that immediately follows, or who is attending an educational program sponsored by Coastal Bend College while that person is on campus);

2. **employees** ("employee" includes former employees and applicants for employment), and
3. **other individuals** who have a relationship with Coastal Bend College that enables Coastal Bend College to exercise some control over the individual's conduct in places and activities that relate to the District's work (e.g., contractors, vendors, etc.).

So that Coastal Bend College may foster a climate of respect and security on campus as it relates to preventing and responding to acts of sexual misconduct, this protocol has been created and serves to demonstrate the District's commitment to:

1. Foster a campus climate free from sexual misconduct: sexual harassment, sexual assault, sexual exploitation, and the acts of stalking, dating violence, and domestic violence;
2. Disseminate clear strategies for responding to acts of sexual misconduct reported to the institution;
3. Deliver training and education programs to students and employees so they may identify sexual misconduct and understand how to report such conduct;
4. Engage in investigative inquiry and resolution of complaints that are prompt, fair and equitable and independent of other investigations that may occur;
5. Recognize the inherent dignity and worth of each member of the Coastal Bend College community and the rights of persons to be safe in their bodies, which lends to the core values of this academic institution.

Lastly, it is the intent of this protocol to:

1. Identify the Title IX Coordinator and Investigators and describe their roles in compliance with guidance from the Department of Education's Office of Civil Rights.
2. Identify how students can report sexual misconduct to the College confidentially or privately and what resources are available both on and off campus to aid them.
3. Identify how employees can report sexual misconduct to the College and what resources are available both on and off campus to aid them.
4. Provide information about how complaints are assessed, investigated and resolved.
5. Provide the College with a means to take all reasonable steps to identify harassment, prevent recurrence of any harassment, and to correct its discriminatory effects on the complainant and others, if appropriate.

**RESPONSIBLE AND CONFIDENTIAL EMPLOYEE; STUDENT ADVOCATE
(TEC Sec. 51.290)**

(a) Each postsecondary educational institution shall:

(1) designate:

(b) A postsecondary educational institution may designate one or more students enrolled at the institution as student advocates to whom other

students enrolled at the institution may speak confidentially concerning sexual harassment, sexual assault, dating violence, and stalking. The institution shall notify each student enrolled at the institution of the student advocates designated under this subsection.

(c) A confidential employee designated under Subsection (a)(1)(B) or a student advocate designated under Subsection (b) may not disclose any communication made by a student to the employee or advocate unless the student consents to the disclosure or the employee or advocate is required to make the disclosure under state or federal law.

EQUAL ACCESS (TEC Sec. 51.293)

In implementing the requirements under this subchapter, a postsecondary educational institution shall, to the greatest extent practicable, ensure equal access for students enrolled at or employees of the institution who are persons with disabilities. The institution shall make reasonable efforts to consult with a disability services office of the institution, advocacy groups for people with disabilities, and other relevant stakeholders to assist the institution with complying with the institution's duties under this section.

Sexual Violence and Sexual Harassment Any of these acts will be deemed to be sexual exploitation. Sexual exploitation includes, but is not limited to, the following acts:

- Sexual voyeurism or allowing others to witness or observe the sexual or intimate activity of another person without that person's full knowledge and consent;
- Indecent or lewd exposure or inducing another person to expose themselves when consent is not present;

- Recruiting, harboring, transporting, providing, or obtaining another person for the purpose of sexual exploitation;
- Inducing incapacitation of another person with the intent to engage in sexual conduct, regardless of whether prohibited sexual conduct actually occurs. The definition of consent does not vary based upon a participant's sex, sexual orientation, gender identity, or gender expression.

Students should not be subjected to conduct of a sexual nature that is inappropriate and unlawful. Such behavior will not be tolerated by the Coastal Bend College (CBC) District. CBC encourages students to report violations. Students should not engage in conduct constituting sexual harassment or violence. Coastal Bend College officials or their agents will investigate all allegations of such offenses and officials shall take prompt and appropriate action against students found to engage in conduct constituting sexual harassment or violence.

CBC provides web-based training to help students recognize this inappropriate conduct. The "Preventing Sexual Harassment" training is accessible through the CBC website.

The system is user-friendly. Students may choose to follow additional links within the session for more information. The CBC community strongly advises students to avail themselves of this training. Additionally, Coastal Bend College has several policies that define sexual

harassment and sexual violence, describe processes in reporting violations and processes on how the college is required to react.

These policies and any referenced below may be found at the CBC website on www.coastalbend.edu, under the "[Policy Manual](#)" link.

Options for Individuals Impacted by Sexual Assault, Domestic Violence, Dating Violence or Stalking

- **Get to a Safe Place**
- **Talk to Someone You Trust**

CBC Student Services, in partnership with the **WOMEN'S SHELTER OF THE COASTAL BEND**, a Victim's Assistance Organization, can provide Shelter, confidential, no-cost support and advocacy to all students regardless of their sex, sexual orientation, gender identity, or gender expression. This includes assistance navigating resources and legal options.

- **Preserve Physical Evidence**

Evidentiary Value

It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted

if the offense occurred within the past 96 hours so that evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be useful in obtaining an Emergency Protective Order.

- **Seek Medical Attention**

Any area Hospital can provide medical services and evidence collection. FOR SEVERE INJURIES CALL 9-1-1 IMMEDIATELY.

After an incident of sexual assault, dating violence or domestic violence, the victim should consider seeking medical attention as soon as possible at any Hospital. In Texas, evidence may be collected even if you chose not to make a report to law enforcement*. A sexual assault kit will be completed and processed by trained medical staff.

** Under the Violence Against Women and Department of Justice Reauthorization Act of 2005, starting in 2009, states must certify that they do not "require a victim of sexual assault to participate in the criminal justice system or cooperate with law enforcement in order to be provided with a forensic medical exam, reimbursement for charges incurred on account of such an exam, or both."*

In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted infections.

Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to College investigators or local police.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with CBC Police Department or other law enforcement to preserve evidence in the event that the victim decides to report the incident to law enforcement or the College at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order.

- **Report the Incident**

Victims are encouraged to report incidents of sexual assault to CBC Police Department or to the local Police Department of jurisdiction.

These contact numbers can be found at the beginning of this report. This is not a requirement. Students have additional reporting options that can be discussed with the CBC Title IX Coordinator.

Investigation of the Report

CBC may request, but shall not insist upon, a written report. If a report is made orally, the CBC official shall reduce the report to written form. Upon receipt or notice of a report, the CBC official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the CBC official shall immediately authorize or undertake an investigation, regardless of whether a criminal or regulatory investigation regarding the same or similar allegations is pending.

If appropriate, CBC shall promptly take interim action calculated to prevent prohibited conduct during the course of an investigation. The investigation may be conducted by the CBC official or a designee or by a third party designated by CBC, such as an attorney.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

Concluding the Investigation

Absent extenuating circumstances, the investigation should be completed within ten CBC business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation. The investigator shall prepare a written report of the investigation. The report shall be filed with the CBC official overseeing the investigation.

College District Action

If the results of an investigation indicate that prohibited conduct occurred, the College District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct. The College District may take action based on the results of an investigation, even if the conduct did not rise to the level of prohibited or unlawful conduct.

CONFIDENTIALITY (TEC Sec. 51.291)

(a) The protections provided by this section apply to:

- (1) an alleged victim of an incident of sexual harassment, sexual assault, dating violence, or stalking reported to a postsecondary educational institution;
- (2) a person who reports to a postsecondary educational institution an incident of sexual harassment, sexual assault, dating violence, or stalking, who sought guidance from the institution concerning such an incident, or who participated in the institution's investigation of such an incident; and

(3) a person who is alleged in a report made to a postsecondary educational institution to have committed or assisted in the commission of sexual harassment, sexual assault, dating violence, or stalking if, after completing an investigation, the institution determines the report to be unsubstantiated or without merit.

(b) Unless waived in writing by the person, the identity of a person described by Subsection (a):

(1) is confidential and not subject to disclosure under Chapter [552](#), Government Code; **and**

(2) may be disclosed only to:

(A) the postsecondary educational institution to which the report described by Subsection (a) is made as necessary to conduct an investigation of the report;

(B) a law enforcement officer as necessary to conduct a criminal investigation of the report described by Subsection (a); or

(C) a health care provider in an emergency situation, as determined necessary by the institution.

(c) A disclosure under Subsection (b) is not a voluntary disclosure for purposes of Section 552.007, Government Code.

(d) Information regarding an incident of sexual harassment, sexual assault, dating violence, or stalking disclosed to a health care provider or other medical provider employed by a postsecondary educational institution is confidential and may be shared by the provider only with the victim's consent. The provider must provide aggregate data or other non-identifying information regarding those incidents to the institution's Title IX coordinator.

To the greatest extent possible, CBC shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses.

Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Every complainant has the right to be notified, in writing, of the outcome of the complaint. Even though federal privacy laws limit disclosure of certain information in disciplinary proceedings:

Colleges must disclose to the complainant information about the sanction imposed on the perpetrator when the sanction directly relates to the harassed student. This includes an order that the harasser stay away from the harassed student, or that the harasser is prohibited from attending college for a period of time, or transferred to other courses or another residence hall. Additionally, the Clery Act (20 U.S.C. §1092(f)), which only applies to post-secondary institutions, requires that both parties be informed of the outcome, including sanction information, of any institutional proceeding alleging a sex offense. Therefore, colleges may not require a complainant to abide by a non-disclosure agreement, in writing or otherwise.

Appeals

A student who is dissatisfied with the outcome of the investigation may appeal through Policy FLD(LOCAL) as noted in the policy manual, beginning at the appropriate level.

A student also has a right to file a complaint with the United States Department of Education Office for Civil Rights. Procedures are outlined at www.hhs.gov/ocr/office/file/index.html, the regional office information is listed below.

9. Campus Security and Safety Measures

Coastal Bend College Police Department (CBCPD)

The CBC Police Department (CBCPD) is committed to providing a safe and secure atmosphere to our students, employees, vendors, and visitors during their time at Coastal Bend College. We are dedicated to providing the highest level of professional police and public safety services to our campus community, understanding that customer service is at the heart of our credo.

CBC Police Officers are fully commissioned and empowered law enforcement officers licensed by the Texas Commission on Law Enforcement. These officers retain both criminal and traffic jurisdiction in all counties in which CBC property is owned, leased, rented, or otherwise under the control of the Coastal Bend College Junior College District.

Coastal Bend College is an open campus. Students, faculty, staff, and citizens have access to the campus grounds and, when open, to college facilities. As stated above, the college does have a Police Department, but it does not provide 24/7 coverage. For this CBC sites rely on local police departments and sheriff's offices for law enforcement services when CBCPD officers are not available. Criminal acts that occur on CBC property after hours must be reported to the local law enforcement authorities.

As a community of concerned and caring people who want to study or work in an atmosphere that is enjoyable and rewarding, every student and employee must take responsibility for security and safety, both personally and collectively. For security measures to be effective, everyone's support and awareness is needed.

The following provide information on key processes to help maintain a safe environment.

Reporting Campus Crime and Institutional Response

CBC, in compliance with the Crime Awareness and Security Act of 1990, continuously collects statistics on certain campus crimes. An annual report is available to students and employees and is disseminated via the CBC Police Department and found on the Public Safety link on the main page of the CBC website.

Ideally all faculty, staff, and students are to report any campus crimes to the local police via 911 if it an emergency or the telephone number for the police department if the problem or issue is not an emergency. Once local police have been notified, the reporting party should make reasonable effort to contact The CBC Chief of Police or the CBC Site Director as soon as practical.

Criminal Acts perpetrated by Students

If and when a person or persons are identified and charged with the crime and those persons are CBC students, the Dean of Student Services or designate will initiate suspension actions when appropriate for the crime committed. All persons subjected to disciplinary proceedings shall be allowed the benefits of the due process procedure outlined in the Coastal Bend College Policy Manual. Victims of any crime of violence will have access to the institutional disciplinary proceedings against an alleged perpetrator of the crime if the accused party is a CBC student.

Active Bystander

Bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervene,

identifying safe and effective intervention options, and taking action to intervene.

Bystanders play a critical role in the prevention of sexual and relationship violence. They are individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it. We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help.

Below is a list of some ways to be an active bystander. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

1. Watch out for your friends and fellow students/ employees. If you see someone who looks like they could be in trouble or need help, ask if they are okay.

2. Confront people who seclude, hit on, and try to make out with, or have sex with people who are incapacitated.

3. Speak up when someone discusses plans to take sexual advantage of another person.

4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.

5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

Risk Reduction

Risk reduction means options designed to decrease perpetration and bystander inaction, and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence. With no intent of victim blame and recognizing that only abusers are responsible for their abuse, the following are some strategies to reduce one's risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, www.rainn.org)

Crime Avoidance Strategies

- 1. Be aware of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.**
- 2. Try to avoid isolated areas. It is more difficult to get help if no one is around.**
- 3. Walk with purpose. Even if you don't know where you are going, act like you do.**
- 4. Trust your instincts. If a situation or location feels unsafe or uncomfortable, it probably isn't the best place to be.**
- 5. Try not to load yourself down with packages or bags as this can make you appear more vulnerable.**
- 6. Make sure your cell phone is with you and charged and that you have cab money.**
- 7. Don't allow yourself to be isolated with someone you don't trust or someone you don't know.**
- 8. Avoid putting music headphones in both ears so that you can be more aware of your surroundings, especially if you are walking alone.**
- 9. When you go to a social gathering, go with a group of friends. Arrive together, check in with each other throughout the evening, and leave together. *Knowing where you are and who is around you may help you to find a way out of a bad situation.***

10. Trust your instincts. If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately.

11. Don't leave your drink unattended while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, just get a new one.

12. Don't accept drinks from people you don't know or trust. If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.

13. Watch out for your friends, and vice versa. If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.

14. If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 911. Be explicit with medical personnel so they can give you the correct tests *(you will need a urine test and possibly others)*).

15. If you need to get out of an uncomfortable or scary situation here are some things that you can try:

- ***Remember that being in this situation is not your fault. You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.***
- ***Be true to yourself. Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.***
- ***Have a code word with your friends or family so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or provide an excuse for you to leave.***

- ***Lie. If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.***

16. SITUATIONAL AWARENESS. Try to think of an escape route. How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?

17. If you and/or the other person have been drinking, you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

Crime Stoppers

Persons who have information about criminal activity can contact area crime stopper organizations and may receive cash rewards if the information provided leads to arrest and indictment of person(s) responsible for the criminal act.

Beeville Crime Stoppers..... Tip Line: (361)362-0206

Anonymous Reporting of Criminal Activity on Campus

Any student may anonymously report Campus crime by calling any of the listed Crime Stopper organizations or call (361) 354-2611 and leave a message detailing the suspected criminal activity. This information will then be provided to local law enforcement agencies for investigation.

If an individual does not want to report a crime to the police, the individual may otherwise report crimes to a designated campus security authority (CSA). These designated individuals have significant responsibility for student and campus activities, and as such are provided notice by CBC as to the extent of their responsibility and how to report crimes to CBC.

Reporting Unusual or Concerning Behaviors – Mental Health Issues

The CBC CARE Team – [CARE TEAM REFERRAL FORM](#) link

In a response to national concerns regarding at-risk behavior occurring on college campuses, Coastal Bend College maintains a CARE Team (Concern, Assess, Response, Evaluate) to assess and determine strategies to assist students and employees with debilitating mental health issues.

The safety of students at Coastal Bend College is extremely important to us. The CBC CARE Team works collaboratively and proactively to provide early intervention and assistance to CBC students who need assistance. The team uses approaches such as the **National Behavioral Intervention Team Association** (NaBITA) Risk Rubric, to identify, assess and alleviate risks associated with students exhibiting concerning behaviors or thoughts. As needed, the **CARE Team** ensures that the student is referred to the appropriate resources.

ROLE OF THE CARE TEAM

Provide consultation and support to students who display concerning or disruptive behaviors; gather information to assess the situation involving individuals who display concerning or disruptive behaviors; educate and empower the college community to recognize, report and effectively address concerning or disruptive behaviors; recommend appropriate intervention strategies (utilizing the NaBITA Risk Rubric); connect

students with campus and community resources; implement case management plan or support services.

In the case of an emergency contact 911. If the event or issue is not an emergency, please make a referral via the CARE Team portal as the situation permits.

SEX OFFENDER DATA BASE

The [Campus Sex Crimes Prevention Act](#) (CSCPA) is a federal law that provides for the tracking of convicted sex offenders enrolled at or employed by institutions of higher education. The CSCPA's intent is to extend the protection of the sex offender registries and Megan's Law to college campuses. It also amends the Clery Act to require institutions of higher education to issue a statement advising the campus community where to obtain law enforcement agency information provided by a state concerning registered sex offenders. Pursuant to Chapter 62, Texas Code of Criminal Procedure, the [Texas Sex Offender Registry](#) may be checked online on the Coastal Bend College Police Department website or directly at <https://records.txdps.state.tx.us/SexOffenderRegistry>

The [National Sex Offender Public Website](#) (NSOPW) may be found online at www.nsopw.gov

option to indicate an emergency contact and if they were to be reported missing their emergency contact would be notified within 24 hours.

IX. ADDITIONAL EMERGENCY CONTACT OPTION

To avoid delay in making emergency notifications CBC offers the option to provide an additional emergency contact to both students and employees. Upon request, this option choice can remain confidential and would identify an individual to be contacted by the college in the event the student is determined to be missing or sustains an incapacitating illness or injury. This information would be collected and stored by the CBCPD for emergency use only and would be used in addition to the existing emergency contact information already on file. Both the primary and secondary persons identified by the student or employee could be contacted in the event of an emergency or missing person.

The student or employee who desires to take advantage of this additional emergency point of contact must communicate with the CBC Chief of Police, either by email or in person, to request this service and to provide the contact information. An alternative for students or employees attending or employed at CBC Alice, Kingsville, or Pleasanton is to provide such information to the Site Director of the CBC location where you principally attend or are employed.

The Site Director is empowered with the same responsibilities concerning student and employees requested confidentiality and will forward all such information to the CBCPD.

X. PROCEDURES FOR REGISTRATION OF PREFERRED EMERGENCY CONTACT

a. No later than 24 hours after determining that a student is missing, CBCPD will notify the student's emergency contact.

An emergency contact will remain in effect until changed or revoked by the student. This contact information is registered confidentially, and will be accessible only to authorized campus officials and law enforcement. It will not be disclosed outside of a missing person investigation.

d. Emergency contact information will be stored in a student's file in the Coastal Bend College Student Services Office. A student can update emergency contact information emailing the Student Services Office.

11. Resident Life/Housing

Benton Residence Hall and the CBC Apartments offer students the opportunity to reside on campus. Benton Hall is a two story coed residential dorm for 134 men and women. Each room is designed as a suite that share a bathroom. The CBC apartments consists of 20 one story apartments.

Safety and Security

The safety and security of all CBC students is our number one priority. Security cameras are located in common areas of Benton Hall and various other locations on campus.

Residents should call 9-1-1 and alert Residence Life staff in the event of an emergency after business hours. During business hours, students can contact the CBC Police Department for non-emergencies

The CBC Police Department contracts the Beeville PD to patrol on-campus housing in the evening hours all week long.

The CBC campus is a safe campus, but we recommend the following tips to stay safe:

7. Willful and malicious behavior that obstructs or causes the obstruction of any doorway, hall, or any other passageway in a College District building to such an extent that the employees, officers, and other persons, including visitors, having business with the College District are denied entrance into, exit from, or free passage in such building.

Failure to Comply

A failure to comply shall be treated as insubordination and may lead to expulsion from the College District.

Guests

All guests, defined as anyone not assigned to the resident's room and/or not assigned a room in on-campus housing, **must always be accompanied by a resident , including entering and leaving the on-campus housing facility.**

If a guest is found to be unescorted, they will be asked to leave. Guests must never be in possession of a resident's College issued room key. Residents are responsible for the conduct of their guests. Any guest found without a host in any area outside of the Benton Hall lobby will be removed from on-campus housing immediately and banned from visiting any resident within campus housing for seven consecutive days. Before

a guest will be allowed to return for a visit, they must meet with the Benton Hall Manager. If a guest violates this guest policy a second time, they will be prohibited from visiting any resident within campus housing for the remainder of the semester.

Babysitting/Pet Sitting

Benton Hall residents may not babysit children, including siblings and/or younger family members, or animals at any time within Benton Hall. This includes pet sitting for another resident who has a service or assistance animal. Children under the age of 16 must be accompanied by their non-resident parent/legal guardian or participating in a campus tour.

Visitation

The Benton Hall Manager and the Student Service administrators reserve the right to adjust visitation hours at any time.

Open Hours: 8:00 am – 8:00 pm (all guests may come and go with an escorting resident)

Registered Hours: 8:00 pm – 2:00 am from Sun.-Thurs. & 8:00 pm – 3:00 am from Fri.-Sat. all guests must be signed in on the Benton Hall Lobby Sign-in sheet.

Closed Hours: 2:00 am – 8:00 am from Sun-Thurs. and 8:00 pm – 3:00 am from Fri-Sat. no guests allowed.

Prohibited Items

Under the Room Furnishing section of this handbook there is a list of items that are not allowed in on-campus housing. This list of prohibited items, including but not limited to, candles, , car parts, small cooking appliances, etc. may not be brought to or utilized in on-campus housing. Combustible materials such as gasoline, fireworks, ammunition, and explosives are expressly prohibited in on-campus housing.

Residents who are found in possession of a prohibited item will have the item confiscated. Items that are illegal to possess will be confiscated and not returned to the student; these items will be turned over to law enforcement officials to be disposed of or used as evidence.

Health and Safety/Room Inspections

The College respects the privacy of each resident, however, the College reserves the right to enter and inspect student rooms for purposes of maintenance and repair, regularly scheduled room checks, whenever it appears college property may be damaged, or when it appears that College policy is being violated. Residence Life staff will inspect all rooms at the end of each semester and prior to breaks. Residents are expected to have their room clean upon inspection. If upon entry a violation is visible (i.e. alcohol/drug present) it will be handled through the CBC Police Department and the Office of Student Conduct. Prohibited items may be confiscated to promote safety and compliance with college policy.

Locked containers will be required to be opened during a room search. Refusal, or inability, to open locked containers will result in the confiscation of the locked container. Continued refusal to open a locked container will result in the locked container being forced open at the discretion of the Benton Hall/Apartment Manager or a College Administrator. CBC is not responsible at any time for any damage done to locked containers, their locks, or the contents of the locked containers.

Illness /Injury

If someone is ill or injured, the student should notify a Residence Life staff member immediately. The College reserves the right to call emergency medical services for anyone who is deemed to be seriously ill or injured.

Noise/Disturbing the Peace

The right to study and sleep takes precedence over noise that disturbs the resident community. Be cognizant of the noise you are making and consider how it may be impacting others in the community. The use of televisions, stereos, and other audio equipment must not disturb others; if they are played too loudly, deemed by Residence Life staff, the offender may be required to remove the item from College housing.

Failure to remove a stereo, radio, television, etc. when notified by housing staff may result in removal and storage by the College until it is convenient for the owner to take it home. Residents who infringe on the rights of others to sleep and study will be referred to the Benton Hall/Apartment Manager.

CBC Police or other local law enforcement agency may also be called should non-compliance occur after being warned by Residence Life staff or a local law enforcement officer that the noise is of such a level as to constitute a violation of Texas Penal Code Chapter 42, Disorderly Conduct.

Quiet Hours

Sunday – Thursday: 10:00pm – 9:00am

Friday & Saturday: 12:00am – 12:00pm

During the final week of each semester Quiet Hours will be extended to 24 hours. Quiet hours will begin at 10:00pm on the last day of class and not end until on-campus housing closes for the semester or summer break.

Pets

Fish are the only pets permitted in on-campus housing. The fish must be kept in a covered tank not to exceed 20 gallons, kept clean, healthy, and fresh smelling. If odor, health issues and/or other concerns become a

problem, the fish and fish tank will have to be removed from residents' room. The Residence Life staff may inspect the tank to make sure it is of legal size. Also, disposal of the fish supplies from the tank, such as the tank rocks, leftover fish food, fish tank toys, and fish tank supplies, etc. must be disposed of in the trash. These items may NOT go into the sink drain, toilet or in the garbage disposal.

Service Animals

Service animal accommodations need to be requested through the Office of Disability Services. The resident will be responsible for caring for, grooming and cleaning up after the service animal, as well as any damages to the room caused by the animal. If the resident is unable to physically clean up after the service animal, he/she should contact the Office of Disability Services, or other appropriate staff person to plan for the clean-up. The resident is also responsible to clearly explain his/her expectations of how others are to interact with the service animal and communicate this to the campus community.

CBC reserves the right to have appropriate College personnel enter and search a resident's room with reasonable suspicion to investigate possession of stolen, illegal, unauthorized, or potentially harmful articles, suspicious odors, smoke, or materials, and to confiscate such articles or materials. Each time Residence Life staff goes to a resident room for any and all policy violations and/or potential policy violations, reasonable suspicion, etc. they will knock at least three (3) times and announce themselves as Residence Life staff before keying in and entering in the room unit(s).

If a resident or residents of a room unit are **NOT** present at the time of the search, Residence Life Staff will still conduct the search with the residents NOT being present. However, Residence Life Staff will leave an

emergency room inspection notification form in the common area or in the bedroom with detailed information letting the residents of the room know as to why Residence Life staff was in the room.

Stolen, illegal, unauthorized, or potentially harmful articles or materials will be confiscated by law enforcement officers called to the scene. Apart from criminal sanctions, disciplinary action will be taken if such articles or materials are confiscated. At any time during normal, routine entries into a resident's room, such as pre-arranged tours, room inspections, requested or pre-arranged maintenance/custodial needs, etc., any authorized Residence Life staff, including RA Team members and maintenance/custodians, will confiscate alcohol, drugs, harmful articles, materials, etc. that are visible. Incident documentation procedures will be completed by the Residence Life staff and referred to the Student Conduct Officer who will administer violation sanctions accordingly.

The rights of students to be secure in their personal living quarters, and possessions against unreasonable entry, searches, and seizures will be assured. Entry, search, and seizures by non-law enforcement CBC employees shall be governed by civil law.

These procedures shall provide for entry when:

1. Maintenance requested by the resident(s) is being performed.
Routine inspection of rooms for inventory, health & safety inspections, or maintenance performed upon institutional initiative is preceded in most cases by at least twenty-four (24) hours written or posted notice to resident(s).
2. There is serious and/or imminent danger to safety, health, or property of occupant(s) on institutional property.
3. Conduct or conditions in the dorm seriously disrupt the discipline and educational atmosphere of the residents' facilities.
4. Conduct pursuant to an administrative entry/search/seizure procedure when there is

5. The authorized official(s) should state when requesting entry:
6. the room(s) to be searched
7. the regulation(s) allegedly being violated
8. the item(s) being sought (if applicable)
9. the names of those authorized to enter
10. a notification will be left in the room to inform all residents that an emergency search happened; the notification will include the above information as well as how to contact staff with questions.

Expectation of Privacy

A student who occupies a college dormitory room has the same expectation of privacy as any adult has in the privacy of that person's home and therefore enjoys the protection of the Fourth Amendment. An institution of higher education, including a college district, retains broad supervisory powers, which permit it to adopt a regulation that applies to college district housing, provided that regulation is reasonably construed and is limited in its application to further the institution's function as an educational institution. The regulation cannot be construed or applied so as to give consent to a search for evidence for the primary purpose of a criminal prosecution.

When a search is conducted by a college district employee, a reasonable suspicion standard is applied to the search. Reasonable cause exists if the student is suspected of violating a rule, and it is believed that the search will uncover evidence of the suspected violation. The reasonableness of any search involves a determination of whether the search was justified at its inception, and whether, as conducted, the search was reasonably related in scope to the circumstances that justified the interference in the first place.

Housing Evictions

A student may be evicted from on-campus housing for infractions outlined in the Residence Life Handbook. If an eviction is warranted, the student will receive notification from the Benton Hall or Apartment Manager stating the reason and expectations of the eviction including the date and time of effectiveness.

Any resident who has been evicted by the Office of Residence Life may not visit on-campus housing, for any reason, until they have met with the Benton Hall or Apartment Manager to receive approval.

- *Disciplinary Eviction:* Any resident who is evicted for a disciplinary reason will not be eligible to live on-campus at CBC thereafter.
- *Nonpayment Eviction:* Any resident who is evicted from on-campus housing for non-payment, may be eligible to return to on-campus housing if payment arrangements are made with the Business Office prior to their residency AND with approval from the Student Success Coordinator.

Prohibited Items

- Residents who are found in possession of a prohibited item will be referred to the Student Conduct Office and the item will be confiscated.
- If the prohibited item is illegal to possess under the Texas Penal Code or the Texas Health and Safety Code, Title 6, Subtitle C, Chapter 481, Texas Controlled Substances Act, The CBCPD or other local law enforcement agency will be called to the location to seize all illegally possessed items or substances and conduct a criminal investigation. This investigation will be separate from any investigation made by the College for the purposes of student discipline.

- Alcohol/drug/tobacco containers may not be used as a room decoration under any circumstances. Items will immediately be confiscated to the CBC Police Department. It should be noted that presence of alcohol and tobacco containers will be interpreted as actual possession.
- Car parts included but not limited to tires, batteries, hitches, chains, vehicle engines, and other large items may NOT be stored in on-campus housing rooms.
- Candles and wax warmers are not allowed. Burning candles, incense, or any other item that required an open flame is a violation of fire code and is not permitted in on-campus housing rooms. In addition, all electric and candle burning potpourri pots, candle warmers, and Scentsy type products is not permitted.
- Cooking appliances are prohibited in Benton Hall due to the fire code and this includes all small cooking appliances. Appliances that are prohibited include all but not limited to the following: appliances with a heating element, such as coffee pots, griddle/hot plates, sandwich makers, electric skillets, etc. If any of the above items are found, the item will be confiscated and returned to student upon check-out.
- Extension cords, electrical extension cords, or multiple plug electrical adapters are not allowed. Residents may only utilize surge protectors. Microwaves and mini fridges should be plugged directly into a wall outlet.
- Charcoal/Gas grills/fire pits are prohibited inside or outside of on-campus housing (includes apartments), this includes parking lots.

- Halogen lamps such as multiple-arm plastic covered lamps, lamps with halogen bulbs pose a severe fire hazard and are not allowed in any on-campus housing room. Questions about lamps should be directed to the Benton Hall/Apartment Managers. Plastic covered lamps are acceptable as long as the use energy efficient bulbs and the appropriate wattage of light bulb is used.
- Hover boards/scooters are not allowed in on-campus housing facilities at any time.
- Road signs or other recognizably stolen articles will immediately be confiscated and residents in possession of stolen items will be referred to the CBC Police Department.
- Live trees/branches/wreaths are not allowed in on-campus housing.
- Lofts/DIY bunk beds are not allowed unless approved by the Benton Hall Manager and by the Office of Disability Services as an approved accommodation.

****As of the printing of this report, the Coastal Bend College District has no real property that meets the non-campus description in #4 above. However, for CBC sponsored trips of over two nights, crime statistics are requested from law enforcements agencies with primary law enforcement responsibility for the address of any private lodging in order to determine if any reportable crime occurred on the premises during student overnight stays. This information is reported by CBC in the Crime statistics under the non-campus category for the Beeville Campus.***

Negligent Manslaughter: The killing of another person through gross negligence.

Sexual Assault: Any nonconsensual sexual act proscribed by federal or Texas law, including when the victim lacks capacity to consent. An offense that meets the definition of rape, fondling, incest or statutory rape as used in the FBI's UCR program (42 U.S. Code Section 13925 (a)(29)).

Domestic/ Family Violence: The Texas Family Code defines **Family Violence** as:

“an act by a member of a family or household against another member that is intended to result in physical harm, bodily injury, assault, or a threat that reasonably places the member in fear of imminent physical harm.”

The law excludes the reasonable discipline of a child and defines abuse as physical injury that results in substantial harm or genuine threat; *sexual contact, intercourse, or conduct; or compelling or encouraging* the child to engage in sexual conduct. By definition and for the purposes of family violence reports, ‘family’ includes individuals related by consanguinity (blood) or affinity, marriage or former marriage, biological parents of the same child, foster children, foster parents, and members or former members of the same household (***including roommates***). Senate Bill 68 of the 77th Legislature amended the Family Code to include **“Dating Violence”**.

The **“Dating Relationship”** means a relationship between individuals who have or have had a continuing relationship of a

romantic or intimate nature. The existence of a dating relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

Stalking: (*Definition specific to the Texas Penal Code 42.072*)

(a) A person commits an offense if the person, on more than one occasion and pursuant to the same scheme or course of conduct that is directed specifically at another person, knowingly engages in conduct that:

(1) constitutes an offense under Section 42.07 , or that the actor knows or reasonably should know the other person will regard as threatening:

(A) bodily injury or death for the other person;

(B) bodily injury or death for a member of the other person's family or household or for an individual with whom the other person has a dating relationship; or

(C) that an offense will be committed against the other person's property;

(2) causes the other person, a member of the other person's family or household, or an individual with whom the other person has a dating relationship to be placed in fear of bodily injury or death or in fear that an offense will be committed against the other person's property, or to feel harassed, annoyed, alarmed, abused, tormented, embarrassed, or offended; and

(3) would cause a reasonable person to:

(A) fear bodily injury or death for himself or herself;

(B) fear bodily injury or death for a member of the person's family or household or for an individual with whom the person has a dating relationship;

(C) fear that an offense will be committed against the person's property; or

(D) feel harassed, annoyed, alarmed, abused, tormented, embarrassed, or offended.

(b) An offense under this section is a felony of the third degree, except that the offense is a felony of the second degree if the actor has previously been convicted of an offense under this section or of an offense under any of the following laws that contains elements that are substantially similar to the elements of an offense under this section:

(1) the laws of another state;

(2) the laws of a federally recognized Indian tribe;

(3) the laws of a territory of the United States; or

(4) federal law.

(c) For purposes of this section, a trier of fact may find that different types of conduct described by Subsection (a), if engaged in on more than one occasion, constitute conduct that is engaged in pursuant to the same scheme or course of conduct.

(d) In this section:

(1) "Dating relationship," "family," "household," and "member of a household" have the meanings assigned by Chapter 71, Family Code.

(2) "Property" includes a pet, companion animal, or assistance animal, as defined by Section 121.002, Human Resources Code.

Robbery: The taking or attempting to take anything of value from the care, custody or control of a person or persons by force or threat of force, violence and/or causing the victim fear.

Aggravated Assault: An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. It is not necessary that injury result from an aggravated assault when a gun, knife or other weapon is used which could or probably would result in a serious potential injury if the crime were successfully completed.

Burglary: The unlawful entry of a structure to commit a felony or a theft. For reporting purposes this definition includes: unlawful entry with intent to commit a larceny or a felony, breaking and entering with intent to commit a larceny, housebreaking, safecracking and all attempts to commit any of the aforementioned.

Motor Vehicle Theft: The theft or attempted theft of a motor vehicle. (All cases are classified as motor vehicle theft where automobiles are taken by persons not having lawful access even though the vehicles are later abandoned, including joy riding.)

Arson: Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling, house, public building, motor vehicle or aircraft, personal property, etc.

Liquor Law Violations: The violation of laws or ordinances prohibiting: the manufacture, sale, transporting, furnishing, possessing of intoxicating liquor; maintaining unlawful drinking places; bootlegging; operating a still; furnishing liquor to a minor or intemperate person; using a vehicle for illegal transportation of liquor; drinking on a train or public conveyance; all attempts to commit any of the aforementioned.

Drug Abuse Violations: Violations of state and local laws relating to the unlawful possession, sale, use, growing, manufacturing and making of narcotic drugs. The relevant substances include: opium or cocaine and their derivatives (morphine, heroin, and codeine), marijuana, synthetic (pseudo) marijuana as defined by the Texas Controlled Substances Act, synthetic narcotics (Demerol, methadone) and dangerous non-narcotic drugs (barbiturates, Benzedrine,).

Illegal Weapons Law Possession: The violation of laws or ordinances dealing with weapon offenses, regulatory in nature, such as: manufacture, sale, or possession of deadly weapons; carrying deadly weapons, concealed* or openly; furnishing deadly weapons to minors; aliens possessing deadly weapons; all attempts to commit any of the aforementioned.

**unless licensed to carry*

Campus Carry: In the State of Texas holders of a Handgun License have a statutory right to conceal carry in most areas of college and university campuses, including classrooms. However, CBC may establish "reasonable rules" regulating the carrying of concealed handguns by License Holders, so long as those rules do not "generally prohibit or have the effect of generally prohibiting License Holders from carrying concealed handguns on the campus of the institution." CBC may also adopt policies concerning the storage of handguns in residential facilities but CBC is not required to provide gun storage for license holders. Please refer to the Coastal Bend College Handgun Policy found at

<http://coastalbend.edu/handgunpolicy/> and also to the [Texas Government Code, Section 411.172](#) for exact eligibility requirements.

Open carry of handguns, rifles, shotguns, clubs, and swords are prohibited on Coastal Bend College property. Such items may be lawfully secured in vehicles while on CBC property.

Unfounded Crimes: An institution may withhold, or subsequently remove, a reported crime from its crime statistics in the rare situations where sworn or commissioned law enforcement personnel have fully investigated the reported crime and, based on the results of this full investigation and evidence, have made a formal determination that the crime report is false or baseless and therefore “unfounded.”

Only sworn or commissioned law enforcement personnel may “unfound” a crime report for purposes of reporting under this section. Please note that the recovery of stolen property, the low value of stolen property, the refusal of the victim to cooperate with the prosecution, or the failure to make an arrest do not “unfound” a crime report.
